

## **IMPORTANT NOTICE: Effective Wednesday, March 18, 2020, the Auditor's Office will be closed to most in-person services.**

In an abundance of caution regarding the COVID-19 virus, the Auditor's Office has moved to a mostly virtual format, effective Wednesday, March 18<sup>th</sup>. The decision was made in consideration of the health of our customers, our employees, and our community. This closure will be re-evaluated regularly in conjunction with current public health officials' recommendations to determine when in-person services will resume fully.

We are still here to help by mail, online, by email or over the phone. There are some circumstances where these options are not available due to circumstances. For this, please call the appropriate department to get an appointment scheduled.
