The Comprehensive Plan governs how land is used in the county; how many, what type, and where we place business, homes, farms, etc. This affects privacy, noise, congestion, appearance, shopping opportunities, tourism, and your enjoyment of your home. Considering the six goals listed in the previous six questions, how satisfied are you with the current land use in your area?

99 total respondents Type: single select

Choice	#
Very happy	20
So-So	56
Unhappy	23
